

Management Cards

Super Audit

Audit

Visual Audit

- **Super Audit Card - CSU**

This card is used to collect discreet and accountable data from 16 CardSlides on a single card. Data will then be downloaded and processed by the LLMS on a PC.

Super Manager

Setup

Visual Setup

- **Audit Card - VTM**

This card is used to collect discreet and accountable data from one VTM. Data will then be downloaded and processed using the LLMS on a PC.

Clear Card

Diagnostics

DVTM Key Card

- **Visual Audit Card - VTM**

This card provides visual collection data from the VTM which can be read on the VTM display on site.

- **Set Up Cards**

These cards are programmed, using the LLMS on a PC, with an elective set of user defined parameters including vend price, special time discounts, class discounts, run time and top-off. Cards are then inserted into CardSlides of washers, dryers, soap machines and vending machines to complete the user friendly programming procedure.

Time Manager

Network Card

Data-Trac

- **Data Trac™**

This card activates a unique card tracking function, which allows management to verify the activity of a customer's card and provide the operator an accurate accountability of all funds added to the customer's card.

Collection Card

**A complete management card set is included with purchase of an ESD MoneyCard System.
The card set contents depend upon the options purchased**

Guidelines For Ordering Cards

CUSTOM GRAPHICS

- 1) If customers furnish ESD with camera-ready finished artwork there will be a one-time setup charge of \$350
- 2) If customers choose to have ESD's graphic arts department provide a total card design, the minimum price including set-up fee is \$500. The total cost will be determined by the designs complexity and cost estimates will be given in advance of performing the work. All designs and artwork created by ESD remain the exclusive property of ESD.
- 3) Vanilla Cards and ESD MoneyCards can be ordered with a variety of custom printed options:
 - a. Address can be printed on one side in black color only - .50 per card extra
 - b. Text can be printed on one side in black color only - .50 per card, per side extra
 - c. Text can be printed on one side in up to four colors - .50 per card, per side
 - d. No bleeds are available on Vanilla Cards when using this printing option.

PROOFS

All designs require press proofs and the Buyer's written approval before production runs will be made.

COLOR MATCHING

Colors will be matched within reasonable commercial variations.

MINIMUM QUANTITIES

Card Quantities specified on the ESD Price List are for the production of one complete shipment to a single destination, unless otherwise specified. Quantity variations of plus or minus 10% shall constitute an acceptable delivery for custom-manufactured cards.

CUSTOMER'S INSPECTION

All cards will be formatted with a unique site code before shipment. Customers shall inspect the Cards immediately upon arrival at the Customer's facility. Customer is required to notify ESD within five (5) days following inspection of the Cards if any Cards are to be rejected and the reasons for the rejection. Failure to notify ESD as specified will be deemed to be acceptance by the Customer and Customer will waive any future rights to reject the Cards.

DELIVERY TERMS

DELIVERY TIME

When ordering ESD Custom Graphics Cards allow eight to twelve weeks for delivery of ESD Custom Graphics Cards. This time period will include initial artwork and color approval, set up and printing; allow six to eight weeks for reorders. Allow one to two weeks for delivery of all other cards. All delivery or shipment dates are estimates only.

DELIVERY CHARGES

All Card pricing is FOB ESD's facility and all freight charges will be invoiced to, or pre-paid by Customer.

DELIVERY LIABILITY

ESD's liability for shipment and delivery of Cards ceases upon release of Cards to the shipping company at which time risk of loss shall pass to Customer. Unless otherwise specified by the Customer; shipment's will be insured to full value and consigned specifically to an authorized party; a signature indicating receipt of shipment will be required. Unless otherwise specified, shipper will be United Parcel Service (UPS) Ground.

WARRANTIES

Except as expressly stated herein, ESD makes no warranties express or implied, with respect to the Smart Cards that it manufactures, however under normal and proper use, ESD Smart Cards will be free from defects in material and workmanship. If a Customer should experience an "out of the box" failure, ESD may elect to replace the defective cards. Cards must be returned to ESD accompanied by an authorized Return Goods Authority (RGA). Cards must be shipped in the original or equivalent packaging, Customers must prepay inbound shipping charges, insure and accept all risk of loss or damage due to shipping and accept the replacement cards, freight collect. Under no circumstances will warranty replacement include failure due to external causes including accident, abuse, or misuse of the card.

LIMITATION OF LIABILITY

Customer's exclusive remedy and ESD's total liability for any and all losses and damages from any cause whatsoever, shall in no event exceed the Price of the Cards. ESD shall have no liability to the Customer for damages resulting from loss of use, loss or corruption of data, loss of revenue, loss of profit, loss or damage to goodwill or loss of business, arising in connection with the sale of ESD smart cards.
